Step 1.

Put bed linen box with it's floor up and position four plastic legs in corners. Connect plastic legs with floor by screwing. When the legs are mounted, turn the box so that it stands on plastic legs.

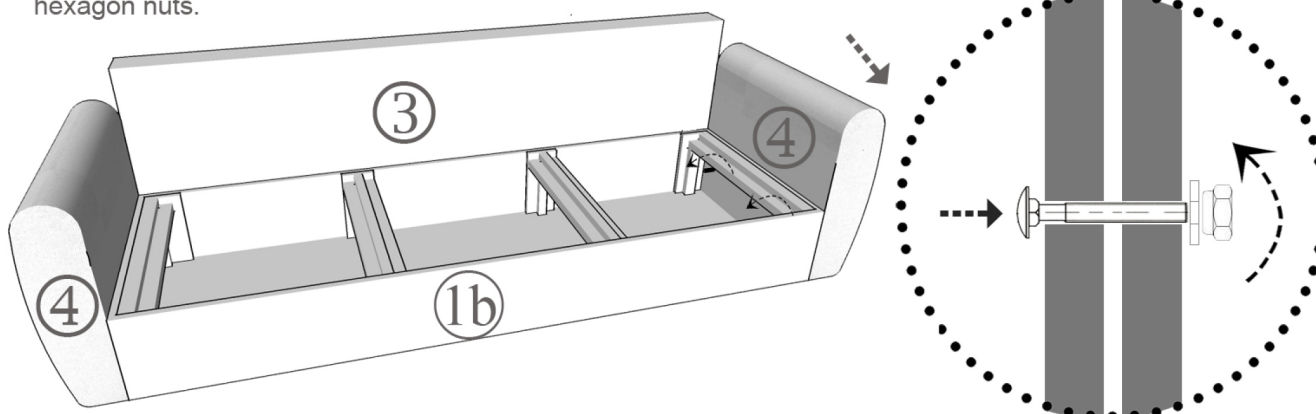

Step 2.

Put backrest 3 horizontally over bed linen box 1b. Position hinges where labels are and connect backrest 3 and bed linen box 1b by screwing through the holes on hinges.

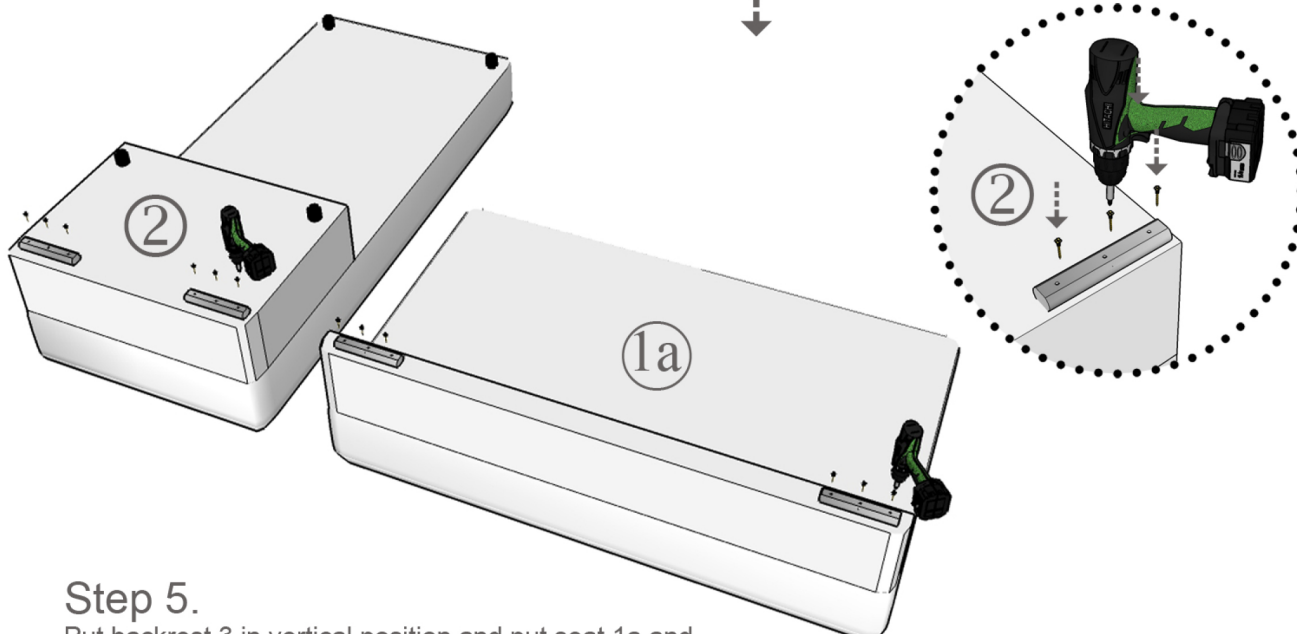

Step 3.

Position armrests 4 lateral from bed linen box 1b. Connect armrests 4 with bed linen box 1b through holes with carriage bolts, flat washer and hexagon nuts.

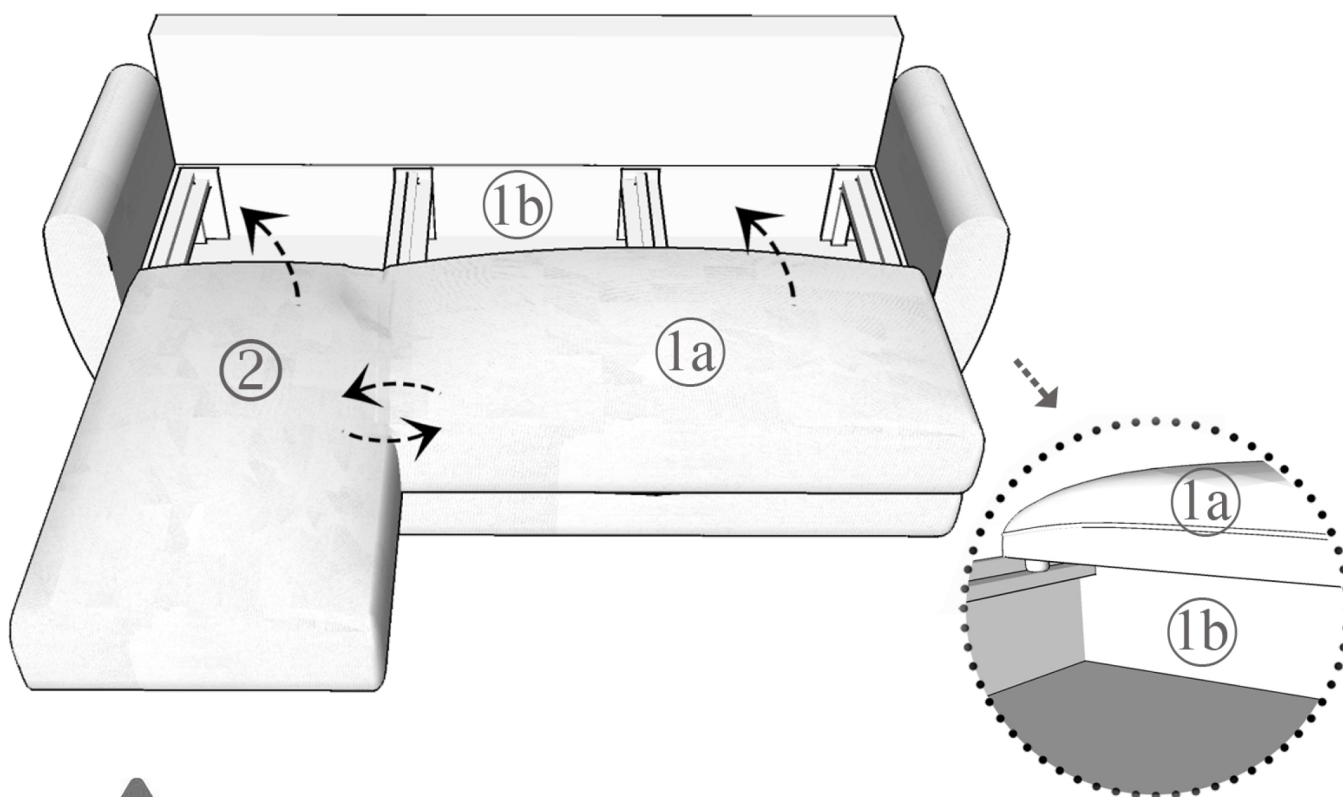

Step 4.

Put seat 1a and chaise longue 2 with it's floor up. Position two rectangular plastic legs on front edge of the chaise longue and screw each leg with three screws 5x40. Two round legs place on the back edge of the thicker part of the chaise longue 2 and connect them with screw. Position two rectangular plastic legs on front edge of the seat 1a and screw each with three screws 5x40.

Step 5.

Put backrest 3 in vertical position and put seat 1a and chaise longue 2 over bed linen box 1b. Plastic legs on bottom of the seat 1a and chaise longue 2 should be placed on lateral timber planks in bed linen box 1b. Seat 1a and chaise longue 2 could be positioned left or right. Corner set is universal.

Warning !!!

Do not seat or put any pressure on sitting element while it's not positioned on bed linen box.
