

A collection of tools including a hammer, a screwdriver, and a cordless drill, all labeled 'MX-49'. The tools are arranged in a row. The hammer is on the left, followed by the screwdriver, and the cordless drill is on the right. The drill is a grey and black cordless drill with a black handle and a grey body. The battery pack is black and has 'MX-49' and 'VSI' printed on it. The drill has a black trigger and a black switch. The hammer has a black head and a grey handle. The screwdriver has a black handle and a silver shaft. The tools are all set against a white background.
