

Assembly instruction - Double bed Farini

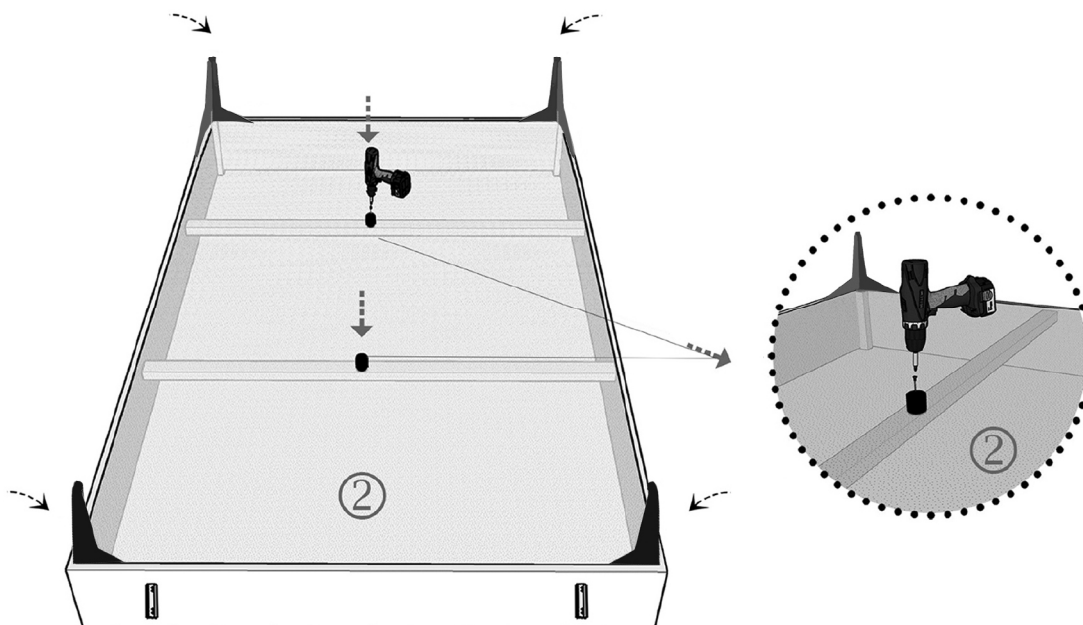

- 1. Mattress
- 2. Bed linen box
- 3. Headboard

Step 1.

Put bed linen box 2 with it's floor up. Position four metal legs in the corners. Use pressure to connect legs with floor using screws. Position two plastic legs in the middle of the box, where on the other side wooden beams are positioned inside the box. Connect legs with floor using screws.

When the legs are mounted, turn the box so that it stands on legs.

Step 2.

Put headboard in vertical position and align metal connectors on headboard in line with metal connectors on bed linen box. Slide headboard down so metal connectors connect.
