A diagram illustrating the cutting process. On the left, there is German text: "Die Länge anpassen, indem Sie mit einem feinenägeblatt für Holz von der Vorderseite der schneiden." Below it is Spanish text: "decorativo de pared ANNA puede montarse l como horizontalmente, al igual que el perfil correspondiente, que se incluye en el paquete." To the right of the text is a vertical wooden board represented by a series of parallel vertical lines. A saw blade is shown from a top-down perspective, with its upper part pointing upwards and its lower part downwards, indicating the direction of the cut.

2

IT Appicare collante a presa rapida sul retro del pannello. In caso di dubbi sul tipo di collante nonché l'adeguata applicazione, chiedere consiglio in negozio.

FR Appliquez de la colle à prise rapide au dos du panneau. En cas de doute sur le type de colle et sur la procédure d'application, demandez conseil au magasin.

EN Apply quick-setting glue to the back of the panel. If in doubt about the type of glue as well as the appropriate application, ask for advice in the shop.
