Click!

The diagram illustrates the connection of the LED controller to the power source and the LED strip.

Z1: Shows the LED controller connected to a power source (represented by a black box with two output wires). The connection is labeled "Z1".

Z2: Shows the LED controller connected to the LED strip (represented by a black box with two output wires). The connection is labeled "Z2".

Both connection points are labeled "Click!" indicating the correct connection method.
