The diagram illustrates the assembly of the base for a unit. The main view shows a rectangular base with a frame being installed. Components are labeled with letters and numbers:

- A**: Screws used for securing the frame.
- E**: Washers used under the screws.
- M**: Screws used for securing the frame.
- N**: Washers used under the screws.
- P**: A bracket or support component.
- Q**: A screw or bolt used for securing the bracket.
- 11**: A small component, possibly a pin or clip.

Numbered steps indicate the sequence of assembly:

- Step 1: Attaching the frame to the base.
- Step 2: Securing the frame with screws and washers.
- Step 3: Final adjustments and securing components.
